

## *2024 Educator Excellence Award Winner*

*Marina McCutcheon*  
*Slippery Rock University*

**Marina McCutcheon student taught 8th Grade Math for Grove City Middle School this past spring. She learned so much from her cooperating teacher and enjoyed all of her students! Marina graduated from Slippery Rock University this May with her Bachelor's of Science majoring in Middle Level Math Education. Thanks to the PERC job fair, she was given the opportunity to connect with so many different schools that she did not know about. Marina is excited for what her future will bring in the field of education!**
